*California law does not allow school districts to charge fees to students for curricular and extracurricular activities. However, as you are aware, due to state budget cut backs, there is no funding available for worthwhile activities such as this one. Therefore, we are requesting voluntary donations from parents to offset the costs of these valuable conferences. Parents are not required to make donations and all students may participate in extracurricular activities regardless of whether their parents make a donation but if we do not collect sufficient funds for all to participate, then unfortunately this conference will be cancelled.

Be sure the entire form is filled in **legibly and completely** with all pertinent information. Use a blue or black ink pen (no pencil) and press firmly so that your information goes through on all three copies.

NO ILLEGIBLE OR INCOMPLETE FORMS WILL BE ACCEPTED.
